

MUSIC COMFORTS THE SOUL

The MUSIC & MEMORYSM program brings the joy of music into the lives of older adults struggling with Alzheimer's and dementia. It reconnects them with the world through music-triggered memories. The music engages them with the present and allows them to regain their connection to others. The transformation is powerful and often immediate

The New Jewish Home is committed to transforming eldercare for New Yorkers so they can live meaningful lives in the place they call home.

The New Jewish Home offers a new rehab tool, Jintronix, as part our Short-Stay Rehabilitation portfolio. Jintronix turns physical therapy into a virtual reality game using motion sensor technology. It provides real-time performance feedback and tracks individual results. Our patients are having fun doing physical therapy and our rehospitalization rates have plummeted almost 50%.

The New Jewish Home's Solutions at Home program provides certified Geriatric Care Managers who deliver a wide-range of services from in-person assessments to developing care plans and arranging for in-home care. In addition. they can help coordinate health, social and legal services. Geriatric Care Managers provide both peace of mind and back-up for caregivers and family members by connecting them with the resources they so desperately need.

Older adults suffering from dementia often have disrupted sleep patterns. Their caregivers spend their nights awake to ensure loved ones are safe throughout the night. The groundbreaking **Night Care** program at Sarah Neuman offers overnight respite care so caregivers are able to get a full night sleep without the worry. Participants in the program spend the evening happily engaged in activities and socializing with peers.
